(c) The right and easement of enjoyment of the Owners in the District as to any Common Area shall be subject to the right of the Developer to convey sewage, water, drainage, maintenance and utility easements over, under, upon and through such Common Area, as provided in Section 12 above.

(d) No Owner shall improve, destroy or otherwise alter any Common Area without the express written consent of the Approving Party.

(e) The Approving Party shall have the right from time to time to make, alter and revoke additional rules, regulations and restrictions pertaining to the use of any Common Areas.

14. Architectural Committee. The Architectural Committee shall meet when necessary to consider applications with respect to any matters that require the approval of the Architectural Committee as provided herein. A majority of the members of the Architectural Committee shall constitute a quorum for the transaction of business at a meeting. Every act or decision made by a majority of the members present at a meeting at which a quorum is present shall be regarded as the act or decision of the Architectural Committee, and no act or decision made at any other time or in any other manner by the Architectural Committee or any member or members thereof shall be valid or binding or constitute a waiver of any provision of this Declaration. In making its decisions, the Architectural Committee may consider any and all aspects and factors that the committee members, in their reasonable discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the District, including but not limited to the consistency and harmony of the proposed work and improvements with the Developer's overall plans for the District and existing improvements in and the general appearance of the District, the potential impact on property values within the District and compliance with the specific requirements of this Declaration. All decisions of the Architectural Committee shall be in writing and delivered to the applicant.

15. No Liability for Approval or Disapproval. Neither the Developer, nor the Property Owners Association, nor any member of the Architectural Committee or the Board shall be personally liable to any person for any discretionary or other approval, disapproval or failure to approve any matter submitted for approval, for the adoption, amendment or revocation of any rules, regulations, restrictions or guidelines or for the enforcement of or failure to enforce any of the restrictions contained in this Declaration or any of such rules, regulations, restrictions or guidelines.

The agreements, restrictions and reservations herein set forth are, and shall be, covenants running with the land into whosoever hands any of the property in the District shall come, for the benefit of all the land in the District. The Developer, and its successors, assigns and grantees, and all parties claiming by, through or under them, shall conform to and observe such agreements, restrictions and reservations; provided, however, that no person shall be obligated to enforce any such agreements, restrictions and reservations. No agreement, restriction or reservation herein set forth shall be personally binding upon any Owner except with

respect to breaches thereof committed during such Owner's seizing of title to such Lots; provided, however, that the immediate grantee from the builder of the Dwelling Unit on a Lot shall be personally responsible for breaches committed during such builder's ownership of such Lot.

The Developer, its successors and assigns, the Owner of any of the Lots and the Property Owners Association, shall have the right (but not the obligation) to sue for and obtain an injunction, prohibitive or mandatory, to prevent the breach of or to enforce the observance of the agreements, restrictions and reservations herein set forth, in addition to any action at law for damages. The failure to enforce any of the agreements, restrictions or reservations herein set forth at the time of its violation shall in no event be deemed to be a waiver of the right to do so thereafter.

17. Assignment of Developer's Rights. The Developer shall have the right and authority from time to time, by appropriate agreement made expressly for that purpose and recorded in the office of the Recorder of Deeds of Greene County, Missouri, to assign, convey, transfer and set over to any person or entity, all or any part of the rights, benefits, powers, reservations, privileges, duties and responsibilities herein reserved by or granted to the Developer, and upon such assignment the assignee shall then for all purposes be the Developer hereunder with respect to the assigned rights, benefits, powers, reservations, privileges, duties and responsibilities. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer and set over the rights, benefits, powers, reservations, privileges, duties, and responsibilities hereunder.

18. Duration, Release and Modification of Restrictions. The provisions of this Declaration shall remain in full force and effect for a period of twenty-five (25) years from the date hereof, and shall automatically be continued thereafter for successive periods of five (5) years each; provided, however, that the then Owners of fifty percent (50%) of the Lots may release the District from all or part of such provisions at the expiration of the initial period or at the expiration of any extension period by executing (in one or more counterparts), acknowledging and recording an appropriate agreement in writing for such purpose, at least thirty (30) days prior to the original expiration date or to a subsequent expiration date, whichever is applicable. The provisions of this Declaration may be amended, modified or supplemented, in whole or in part, at any time by a duly acknowledged and recorded written agreement (in one or more counterparts) signed by both (a) the Owners (excluding therein the Developer if it is then an Owner) of fifty percent (50%) of the Lots (excluding those owned by the Developer) within the District as then constituted and (b) the Developer if it is then an Owner.

19. Extension of District. The Developer shall have, and expressly reserves, the right, from time to time, to add to the existing District and to the operation of the provisions of this Declaration such other adjacent (without reference to any street or right-of-way) lands as it may now own or hereafter acquire by executing, acknowledging and recording an appropriate written declaration or agreement subjecting such land to all of the provisions hereof as though such land had been originally described herein and subjected to the provisions hereof; provided, however, that such declaration or agreement may contain

such deletions, additions and modifications of the provisions of this Declaration applicable solely to such additional property as may be necessary or desirable as solely determined by the Developer in good faith.

20. Severability. Invalidation of any of the provisions set forth herein, or any part thereof, by an order, judgment or decree of any court, or otherwise, shall not invalidate or affect any of the other provisions, or any part thereof, but they shall remain in full force and effect.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed the day and year first written above.
